

How do we prepare our pupils for adult life?

As well as preparing our pupils for transition at key points in their school life, we also provide a range of opportunities to prepare them for adult life including:

- All Year 5 pupils take part in a trip to Skillszone which is a safety education centre in Gloucester. It is a state-of-the-art life size village which is a fully interactive learning environment to teach people of all ages how to recognise dangerous situations and stay safe. There are 16 zones, which will cover a range of scenarios including road, rail and water safety, an internet cafe, as well as opportunities to cover home and personal safety.
- All Year 6 pupils take part in Sex Education sessions – parents are informed of this first and children are given the choice to withdraw from the sessions. These sessions may be adapted as necessary for pupils with SEND.
