

How can parents / carers arrange a visit to our school? What is involved?

If you would like to arrange to visit to our school, then it is best to phone the school office to make an appointment.

During the visit you will be shown around the school and also have time to talk to the head teacher about the needs of your child. We can also arrange for you to meet the SENDCo or the Pastoral Support Manager to discuss any specific needs of your child if you feel that this would be appropriate.
